Dear Sir:

In response to the Requirement for Statement Under §152 of the Atomic Energy Act, Applicants submit the following Declarations:

1) Declaration from three of the four inventors, Reginald Wayne Clark; James Clark Lierman; and Donald Lander, setting forth the full facts surrounding the conception and making of the invention and declaring that the invention described by the subject application was not made or conceived in the course of, or in connection with, or under the terms of any contract or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy;

2) Declaration from an Officer, Carton J. Eibl, of the Assignee, PurePulse Technologies, Inc., who has sufficient knowledge of the facts and similarly declaring that

Application Serial No. 10/039,311
Statement Under §152 of the Atomic Energy Act

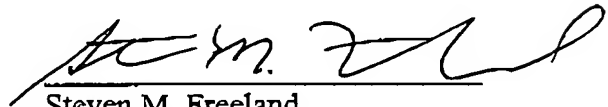

the invention of the subject application was not made or conceived under a relationship with the United States Atomic Energy Commission; and

3) Declaration from Thomas F. Lebens, registered to practice before the United States Patent and Trademark Office (Reg. No. 38,221) and legal representative of Applicants, declaring that the fourth inventor, Joseph E. Dunn refused to cooperate and sign a declaration.

Applicants have made a diligent effort to satisfy the requirements for Statement under §152 of the Atomic Energy Act. However, should there remain any deficiency or outstanding issues that require adverse action, it is respectfully requested that the Licensing & Review Board telephone the undersigned at (858) 552-1311 so that such issues may be resolved as expeditiously as possible.

Respectfully submitted,

DECLARATION OF THOMAS F. LEBENS

Asst. Commissioner for Patents
Washington, D.C. 20231

Sir:

I, Thomas F. Lebens, declare as follows:

1. I am currently registered to practice before the United States Patent and Trademark Office. My registration number is 38,221.

2. I am presently a legal representative of Applicants in the present application.

3. I personally contacted Mr. Joseph E. Dunn by telephone at his office, which telephone number is 708-563-8190, and spoke with Mr. Dunn.

Lebens Declaration
S.N. 10/039,311
Page -2-

5. I requested that Mr. Dunn sign the declaration pursuant to 42 U.S.C. §§ 2182 & 2457 indicating that the invention of the subject application was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration if he believed the statements were accurate.

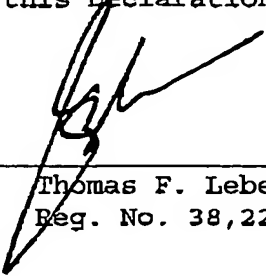

6. Mr. Dunn verbally told me that he did not want to assist with the prosecution of the application without anything in his favor. Mr. Dunn further verbally told me that he would not do anything to meet the deadline of March 20, 2003, for which the declaration is to be submitted.

7. Based upon my conversation with Mr. Dunn, I declare that Mr. Dunn refused to sign the declaration pursuant to 42 U.S.C. §§ 2182 & 2457.

8. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code,
